Dear '72 Graduates:

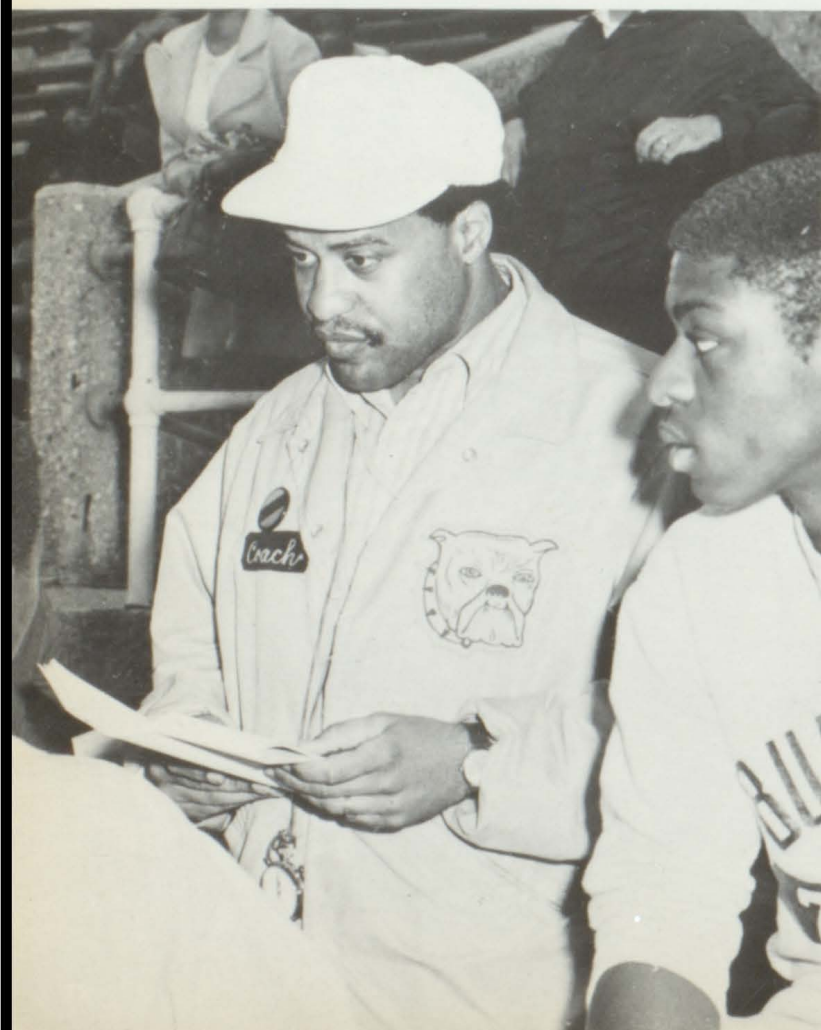

This commencement is the culmination of both your efforts and your dreams. While it is gratifying to receive a diploma as a symbol of accomplishment, it is important that this symbol be considered not merely an achievement but a stepping-stone as well.

Hopefully, your four years at South Side have helped you to acquire some basic skills, a varied background of knowledge, an expanded vision of your future, a hope for mankind, and some new dreams which may lead to a better society for all people.

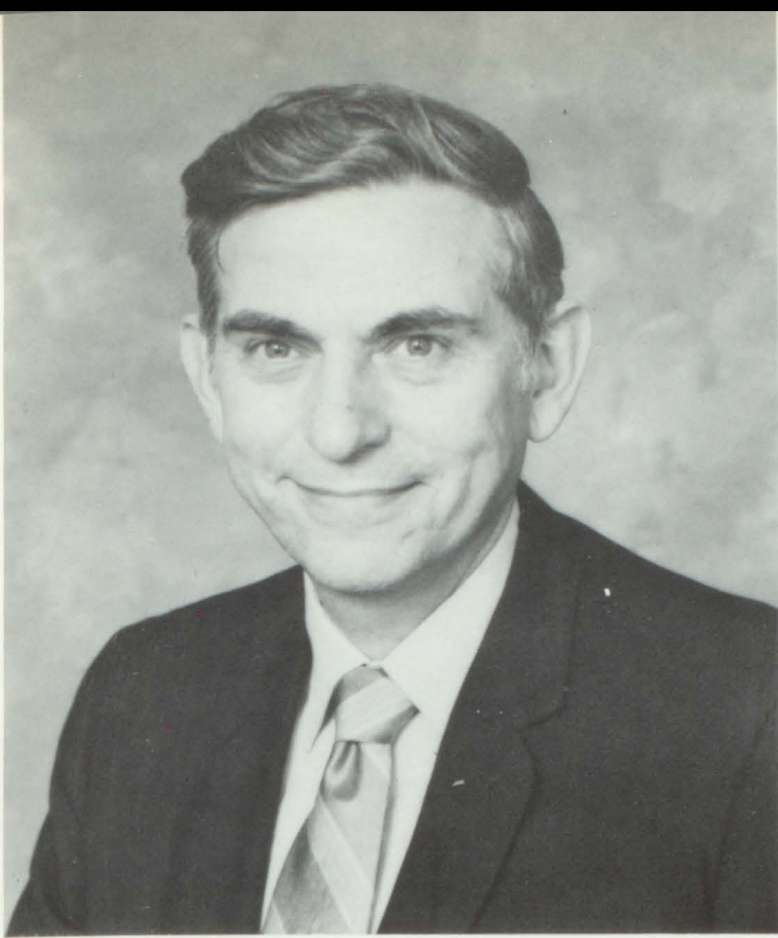

May each of you find your way to a happy, satisfying, and adventurous future, built on the human values of love, labor, and peace.

Your friend,

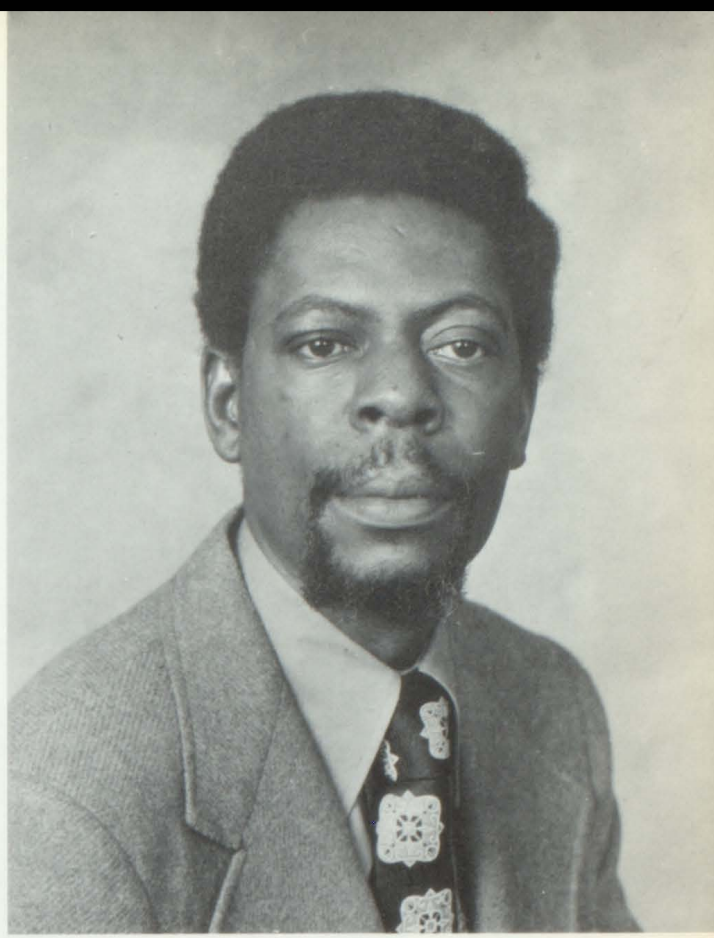

Leo Litzky, Principal

# ATHLETICS

# FOOTBALL

The 'Bulldogs' sporting a light but aggressive squad came back from an opening day defeat to compile a satisfying .500 record that could have gone as high as 7-1 with a few breaks. Eric Wright, Earle Warner, Xaviar Smith, Carlos Hernandez, Darryl Jones, David Mayes, Chris Richardson and company ended the season on a great note as they downed arch-rival Weeguahic, in their traditional Turkey Day game, 10-0.

Coach, Mr. Smiley

We just didn't have it. Glenn Komegay, George Byrd, Bara Baker, Anthony Hodges, Michael Bennett and company tried to put it all together but it just didn't jell. The City League competition was tough and three of the clubs are state contenders. The Essex County and State Tourney were bypassed. Wait till next year.

## TENNIS

The 1972 tennis squad was favored to win the NHSA championship because of the preponderance of seniors with experience on the squad. Desi Franks, Russel Moyes and Victor Nelson, all experienced netsters, gave Mr. Nelson White a solid singles trio. Matches with all of the City schools are scheduled in a double round robin and are played at the County Courts.

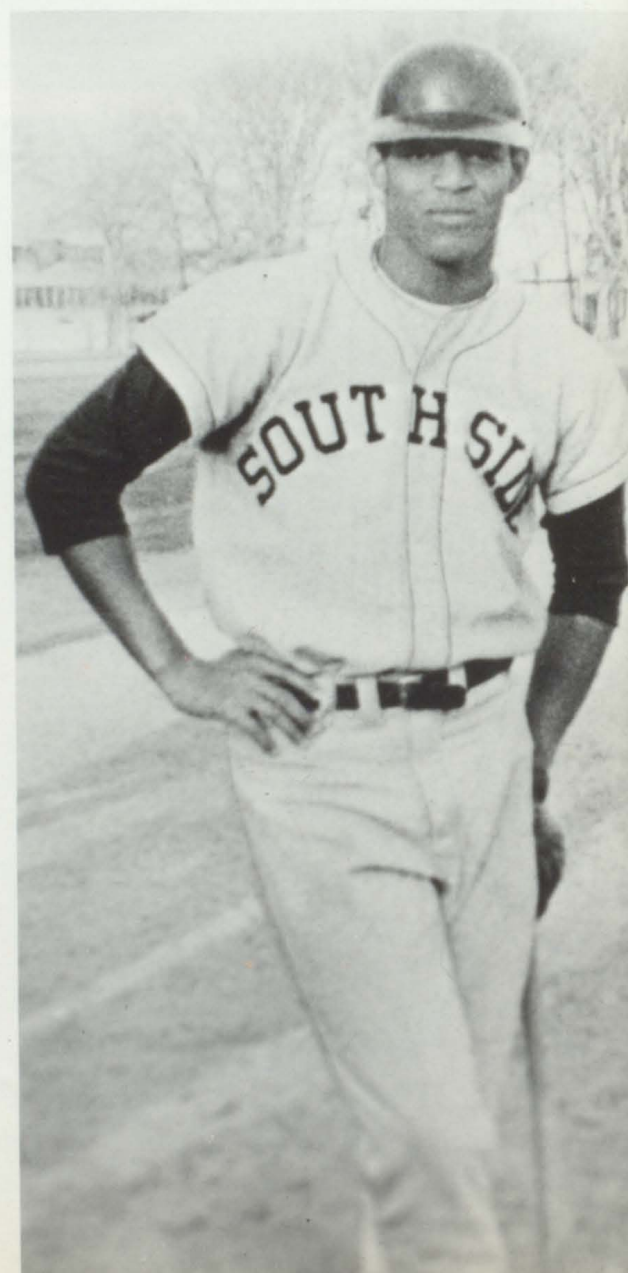

## BASEBALL

The Bulldogs streaked out to their best getaway as they took four in a row to start the season. Seniors, Daryl Jones, Keith Guyton, Edgar Robinson, Earl Warner, Carlos Hernandez, and Eric Wright all give the lineup a lot of punch and power. Big wins were recorded over Vailsburg and West Side. Coach Capasso will have the boys in the thick of it till the very end of the season.

### In Memoriam — Miss Elena Anna Haviar

Elena Haviar was that rare person who was a friend to everyone. She did much more than just teach English at South Side for 25 years. She genuinely cared about her students and her fellow teachers, showing this concern in her constant thoughtfulness. She was always the first with a card, a smile, a helping hand. She gave of herself endlessly; no extra task was too much if it meant bringing knowledge or happiness to others.

She is missed.

### In Memoriam — Mr. Morris Josephs

Morris Josephs was much more than an able administrator. He was a warm sensitive human being devoted to the education and welfare of young adults. His courage and fortitude in the face of years of serious illness enabled him to carry on his mission of helping our young people with few of us aware of how ill he was. He transmitted his own optimism and strength to both colleagues and students.

Those of us who were touched by his spirit are better human beings for having known him.

His passing is a great loss to us all.

Congratulations to the  
Class of 1972
